

Magic Time™

The G+® Series

A streamlined series of high volatility, free spin based games designed to celebrate the win. G+ is perfect for both high line count, low denom areas and low line count, high denom areas. Step up to G+ where the play is bigger, the action is hotter, and the excitement never stops.

Base Game Play

Magic Time features a Free Spin Bonus with a multiplier. The high symbols are the MAGICIAN, GIRL and BUNNY. The wild symbol is the MAGIC TIME LOGO and the scatter symbol is the TOP HAT. The MAGIC TIME LOGO awards a 2x multiplier in the base game, and increases to 10x in the bonus.

Magic Time Bonus

2 or more scattered TOP HAT symbols trigger the *Magic Time* Bonus and award the following number of free spins:

- 2 scattered symbols = 5 free spins
- 3 scattered symbols = 10 free spins
- 4 scattered symbols = 15 free spins
- 5 scattered symbols = 50 free spins

In this bonus the player will experience the following:

- When the MAGIC TIME LOGO appears in a winning pay line, it awards a 10x multiplier.
- 2 or more scattered TOP HAT symbols award additional free spins.

Magic Time has been designed to be compatible with the following new and existing WMS cabinets and technologies:

- Bluebird®
- Bluebird®2
- OLED button panel
- CPU-NXT®
- CPU-NXT®2
