FRANCO TOMBOLA ROULETTE

FRANCO TOMBOLA ROULETTE. PASSION SERIES.

It was Blaise Pascal who made the game of roulette as it is today.

The story goes that Lucifer disclosed the game of roulette secret to the famous French philosopher... Now, we disclose the secret of our roulette: the secret of success, the secret of a more attractive game for the player and profitable for the Casino.

Our "FRANCO TOMBOLA ROULETTE" game is made of a bingo card to place the bets and a physical mechanism – a lottery drum – that provides the balls, which act as roulette chips, with a printed number.
