DOUBLE DOWN WITH KASCADA DUAL

Complimenting the recently launched Kascada 43" portrait cabinet, this best-in-class gaming hardware is highlighted by a signature reflector edge-lighting design that gives it a striking presence on every gaming floor. Together with a diverse catalogue of game brands and feature mechanics, Kascada Dual Screen is designed to deliver an unparalleled gaming experience.

KASCADA DUAL SCREEN HIGHLIGHTS

- Dual High-Resolution 27" monitors with a floating 27" topper
- Upgraded floating iDeck™ features a player-focused ergonomic shape, top glass, and dual bash buttons, allowing for dynamic game content
- The dynamic Kascada lighting package features front-facing perimeter lighting and side firing LEDs that light up a proprietary reflector design. This approach results in uniquely attractive celebration features to create the ultimate player experience
- Utilization of the latest generation CPU processor allowing for maximum graphic clarity and game performance
- Elevated audio specifically located to immerse the player in game design events and features

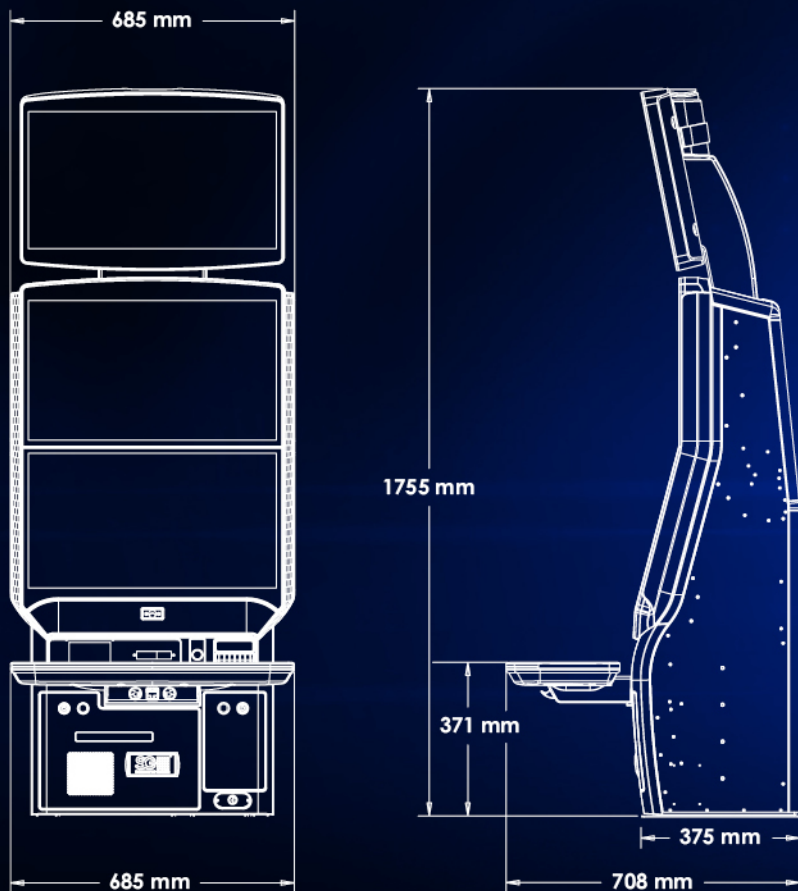

EXPANDED GAME LIBRARY

The *Kascada Dual Screen* will launch March 2022 with a robust roadmap of new game content comprising some of SG's most recognised and popular brands together with several thrilling new game families and features drawing from a global pool of content development.
